

General Data Protection Regulation (GDPR) Statement

At Luna Remote Systems, we are committed to protecting the privacy and security of the personal data we process in accordance with the General Data Protection Regulation (GDPR). This statement outlines how we collect, use, store, and protect your personal information.

1. Data Collection:

We may collect personal data when you interact with our services, including but not limited to your name, contact information, job details, and any other information relevant to our business activities. We may collect this data through direct communication, website interactions, and events.

2. Data Use:

The personal data we collect will be used for purposes such as:

- Providing our remote camera services and solutions
- Communicating with clients, partners, and suppliers
- Managing business relationships
- Complying with legal obligations

We will only use your personal data for the purposes for which it was collected and will ensure it is relevant and limited to what is necessary.

3. Data Retention:

We will retain your personal data for as long as necessary to fulfill the purposes outlined in this statement, unless a longer retention period is required or permitted by law.

4. Data Protection:

We implement appropriate technical and organizational measures to protect your personal data from unauthorized access, use, disclosure, or destruction. These measures include secure systems, data encryption, and restricted access to personal data.

5. Your Rights:

Under the GDPR, you have the right to:

- Access your personal data
- Request correction or deletion of your data
- Object to or restrict the processing of your data
- Request data portability
- Withdraw consent (where applicable)

If you would like to exercise any of these rights, please contact us at info@lunaremote.com.

6. Sharing Data:

We may share your personal data with trusted third parties, including service providers, contractors, or regulatory authorities, where necessary to fulfill our contractual obligations or to comply with legal requirements. We ensure that any third parties comply with GDPR and have adequate security measures in place.

7. Updates to this Statement:

We may update this GDPR statement as necessary to reflect changes in our practices or legal requirements. Any updates will be communicated to relevant parties and made available on our website.
